IRRESISTIBLE

MAKEOVER

### Keynote Speaker -

#### Mrs. Pamela K. Anderson

Pamela K. Anderson is founder and director of International Synergy Center, a ministry functioning as an apostolic teaching ministry with a prophetic anointing. She believes the urgency of this hour is to open our hearts to receive

new revelation and to reach the full stature of Christ. As the Church enters this new era in the Kingdom, new anointing and power are available to those who will believe and take action. This critical time calls for new levels of boldness, courage and strength. Pamela's passion is to network ministers and leaders who share the vision to set nations ablaze with the power of God. Pamela has extensive ministry experience working with Chuck Pierce, The World Prayer Center, Barbara Wentroble, and many others.

### Pastor Dion Boffo

Pastor Dion Boffo is the founder and Sr. Pastor of Heritage Church in Voorhees, NJ. He has been married for 38 years, raised 3 grown children and is the grandfather to 2 grandchildren. One word that might best describe Pastor Dion is "passion". Pastor Dion is passionate about everything he does... and wants others to be passionate about what they do as well. He is known among many of his peers as a man of wisdom, integrity, and faithfulness. He is often consulted by business leaders and fellow ministers for his prophetic insights, apostolic leadership and strategic planning. Pastor Dion has extensive experience on the mission field working in many parts of the world assisting and encouraging leaders to be more effective in their area of ministry. He is truly a man who is "seeking a city whose builder and maker is God".

*"The pure in heart see God. Pamela ministers from a pure spirit. She has power in both word and deed. There is a realization of vision and encouragement as she ministers prophetically throughout the world"*

Chuck D. Pierce, V. P. of Global Harvest

Ministries and President of Glory of Zion International.
